Overview

Quick Details

Place of Origin: Zhejiang, China (Mainland)

Brand Name: Ehase-flex Model Number: EH-800H

Type: Lateral Movement Compensator Expansion Joint

Material: Stainless Steel, SUS304, 316, 321

Technics: welding Connection: Flange Shape: Equal Head Code: Round

Size: DN15-DN2000
Temperature: Max.1000°C

Rated Working Pressure: 10bar, 16bar, 25bar, 40bar, 60bar, 100bar

Lateral Movement: 25mm or According to Requirement

Flanges Standard: JIS, ANSI, DIN, BS, JB...

Design Standard: EJMA

Application: Lateral Movement Compensator Expansion Joint

Certificate: ISO
OEM/ODM: Allowed

Supply Ability

Supply Ability: 7000 Piece/Pieces per Month HS Code: 7307.99

Packaging & Delivery

Packaging Details

Carton Box, Pallet, or Plywood Case

No Unacceptable Packaging Material or Bamboo Products been Used as Packing

Port Shanghai or Ningbo or Any Port in China

Lead Time :Normally 20 Days; Depends on Customer's Requirement

Product Description

Metal Expansion Joint for Lateral Movement Compensator 100% Tested Before Delivery OMEGA Bellows, more flexible, longer service life More than 40-year experience in manufacturing

It should be installed offset to absorb the movement. When installed, it must be at the fully extended length and at **90° to the line of movement**. Tie tie rods **can't be** adjusted or removed to ensure the proper functioning of the unite.

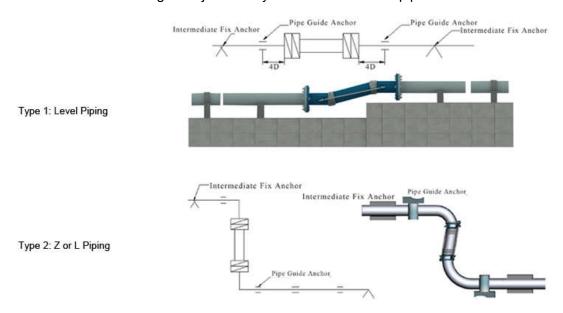

Application

1. One Plane System:

It can be instead of two hinged joints to absorb the movement

2. Two Planes System:

It can be instead of two gimbal joints. Maybe used in the offset pipe as shown.

Construction

ITEM	PARTS	MATERIAL	REMARK
1	Bellows	SUS304	SUS316/321
2	Flanges	SS400	SUS304/316/321
3	Tube End	SS400	SUS304/316/321
4	Tie Rods	SS400	SUS304/316

Specification

600	24	1200	663	791	480	10	16

^{*}Specifications stated abvoe are the standard. We can design and manufacture according to customer's requirement

Features

- 1. Excellent Welding Technology, like a fish swimming in water.
- 2. Omega Bellows, More flexible and longer service life.

Production Process

Production Capacity

Flexible Sprinkler Hoses: 350,000pcs per Month Flexible Joints/ Expansion Joints: 80,000pcs Annual

Gas Connector: 300,000pcs Per Month Water Connectors: 5,000,000m Annual

^{*}Flange Standard: JIS, ANSI, DIN, B.S. JB etc

Material: Stainless Steel Tape

Material: Flanges

Material: Stainless Steel Tubes

Packaging & Shipping

Carton Box, Pallet, or Plywood Case

No Unacceptable Packaging Material or Bamboo Products been Used as Packing

Pack Each Product Seprately by Foam Sheet

Type1: Carton Box with Pallet

Type 2: Plywood Case

Company Information

Certifications

FM Approved: Flexible Joint, Expansion Joint, Flexible Sprinkler Hose

UL Listed: Flexible Sprinkler Hose

CSA Certified: Gas Connector

CCC Certified Flexible Sprinkler Hose

Our Customer

EHASE-FLEX

Company Overview

EHASE-FLEX

Ehase-Flex company located in Hangzhou, near Shanghai and Ningbo port, with more than 40 year experience, is one of the most famous brand in metal flexible joint and expansion joint in Taiwan. We are specialized in manufacturing flexible joint, expansion joint, flexible sprinkler hose, flexible tube, gas connector, rubber joint. Our company had obtained the quality control system I S O 9 0 0 1. Our products are FM, CCC, CSA, SGS approved and 100% tested before delivery.....

- High producing capacity with timely delivery. Normally, less than 25 working days.
- Professional researching, developing team and equipments, can design and manufacture as customers' requirements.
- After-Sales promise is respond within 4 hours and reach the site within 48 hours for domestic user, respond within 6 hours for overseas user.

FAQ

Q: Are you trading company or manufacturer?

A: We are **manufacturer of** expansion joint, flexible joint, flexible sprinkler hose, flexible tube, corrugated gas connector, spring absorber with more than **40-year experience**.

Q: Do you have products catalog?

A: Yes, we have. Please tell me your email or instant messager, we will send our catalog.

Q: Can you provide drawings and technical data?

A: Yes, our professional technical department will design and provide drawings and techical data.

Q: Do you provide samples? Is it free or charged?

A: Yes, we can offer sample free but shipping charges covered by customer.

Q: Have your products been exported?

A: Yes, they have been exported to USA, France, Australia, Peru, Chile, Brazil, Uruguay, Russia, UAE, Saudi Arabia, Oman, Egypt, Keyna, Serbia, Vietnam, South Korea, Indonisia, India, Thailand, Pakistan, Philippines, Singapore, HK...

Q: How long is your delivery time?

A: Depends on QTY, but normally no more than 20 working days.

Q: Can the products be manufactuered by customer's requirement?

A: Yes, the specifications stated above are the standard ones, we can design and manufacture as requirement.

Q: Visting company is allowed or not?

A: Yes, we welcome customers visiting our company. We are located in Hangzhou, Zhejiang Prov., China
