

Overview

Quick Details

Place of Origin: Zhejiang, China (Mainland)

Brand Name: Ehase-Flex

Model Number: EH-8000

Product Name: Clean Roon Use Flexible Sprinkler Hose

Application: laboratory,electronic,Lab,Medical

Size: 24A,32A,40A,48A,60A,72A

Length: 600/800/1000/1200/1500/1800MM

Working Pressure: 16kgf/Cm2

Radius: R150MM

Technics: Welding Bellows

OEM Or ODM: Allowed

Certificate: FM

Test: 100% Tested within 1.5Times Working Pressure

Supply Ability

Supply Ability: 350000 Piece/Pieces per Month H.S Code:8307.10

Packaging & Delivery

Packaging Details

Cartons or Pallet or Plywood Case

No Unacceptable Material Used for Packing

Port

Shanghai or Ningbo or Any Port in China

Lead Time :

Quantity(Pieces)	1 - 2000	>2000
Est. Time(day)	25	To be negotiated

Product Description

FM Certificated Flexible Sprinkler Hose For Use in Clean Room

Application:

EH-8000 Fire Sprinkler Flexible Hose is used to connect sprinkler head in Clean Room

Features:

1. FM Approved
2. Non-pollution: All stainless steel construction requires no painting or epoxy coating.
3. Simple installation: Take 1/8 of conventional system to install, reducing labor cost.
4. Good flexibility: Eliminate potential leaks and protect gel seals during seismic activity. Allow the independent way between ceiling grids and main water pipe. Eliminate ceilings stress and leak due to misaligned hardpiped installation.
5. With the future of adjustable, it is suitable for types of ceiling keel and makes easy to adjust the location and height of sprinkler head.
6. No downtime while sprinkler heads are being removed to accommodate tool or floor-plane configuration.

Fish-Scale, Smooth Welding.

No Welding Defects,
No Chance of Leakage

No Pollution: All Stainless Steel,
Without Painting or Epoxy Coating

Good Flexibility: Annular Tube
Simple Installation: Take 1/8 time
of Conventional Rigid Pipe Installing.

Save Time, Save Cost, Longer Service Time

Construction:

Item	Parts	Material
1	Bellows Hose	SUS304
2	Braids	SUS304
3	Nipple	SUS304
4	Reducer	SUS304
5	Seal Ring	SUS304

Specification:

Item	Size	Length
1	EH-8000-24A	600
2	EH-8000-32A	800
3	EH-8000-40A	1000
4	EH-8000-48A	1200
5	EH-8000-60A	1500
6	EH-8000-72A	1800

Production Process

Production Capacity

Flexible Sprinkler Hoses: 350,000pcs per Month

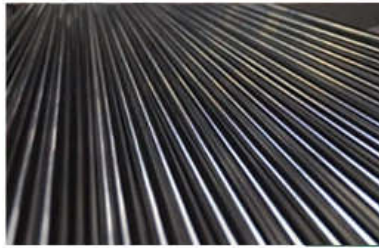

Flexible Joints/ Expansion Joints: 80,000pcs Annual

Gas Connector: 300,000pcs Per Month

Water Connectors: 5,000,000m Annual

Material: Stainless Steel Tape

Material: Stainless Steel Tube

Flexible Hose Making

Wire Brading

Welding

Heat Treatment

EH-8000 Flexible Sprinkler Hose for Clean Room

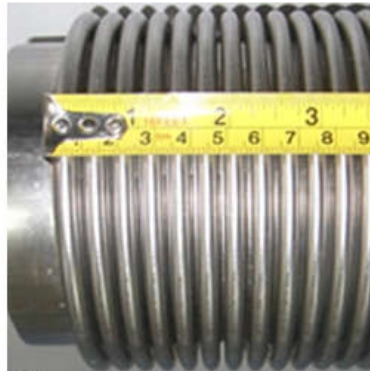

Testing

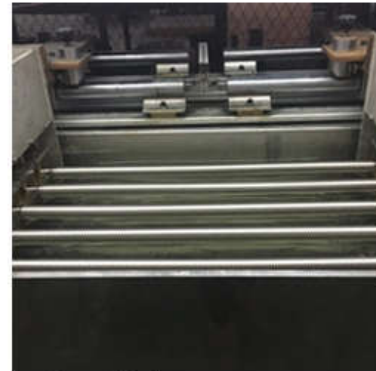

100% Before Delivery

Raw Material Inspection

Bellows Shaping Inspection

Leakage Test

Packaging & Shipping

Carton Box, Pallet, or Plywood Case

No Unacceptable Packaging Material or Bamboo Products been Used as Packing

Cartons by Full Container

Type1: Carton Box with Pallet

Type 2: Plywood Case

Company Information

Certifications

CHASE-FLEX

FM Approved: Flexible Joint, Expansion Joint, Flexible Sprinkler Hose

UL Listed: Flexible Sprinkler Hose

CSA Certified: Gas Connector

CCC Certified Flexible Sprinkler Hose

- High producing capacity with timely delivery. Normally, less than 25 working days.
- Professional researching, developing team and equipments, can design and manufacture as customers' requirements.
- After-Sales promise is respond within 4 hours and reach the site within 48 hours for domestic user, respond within 6 hours for overseas user.

FAQ

Q : Are you trading company or manufacturer?

A: We are **manufacturer of** expansion joint, flexible joint, flexible sprinkler hose, flexible tube, corrugated gas connector, spring absorber with more than **40-year experience**.

Q: Do you have products catalog?

A: Yes, we have. Please tell me your email or instant messenger, we will send our catalog.

Q: Can you provide drawings and technical data?

A: Yes, our professional technical department will design and provide drawings and technical data.

Q: Do you provide samples? Is it free or charged?

A: Yes, we can offer sample free but shipping charges covered by customer.

Q: Have your products been exported?

A: Yes, they have been exported to USA, France, Australia, Peru, Chile, Brazil, Uruguay, Russia, UAE, Saudi Arabia, Oman, Egypt, Kenya, Serbia, Vietnam, South Korea, Indonesia, India, Thailand, Pakistan, Philippines, Singapore, HK...

Q: How long is your delivery time?

A: Depends on QTY, but normally no more than 20 working days.

Q: Can the products be manufactured by customer's requirement?

A: Yes, the specifications stated above are the standard ones, we can design and manufacture as requirement.

Q: Visting company is allowed or not?

A: Yes, we welcome customers visiting our company. We are located in Hangzhou, Zhejiang Prov., China
