

Overview

Quick Details

Standard: JIS, AISI, DIN, EN

Place of Origin: China

Brand Name: EHASE-FLEX

Model Number: EH-8100

Type: Welded

Steel Grade: 300 Series

Application: Firefighting

Certification: FM

Welding Line Type: Spiral Welded

Size: DN25

Material: SUS304

Length: 700mm, 1000mm, 1200mm, 1500mm, 1800mm

Inlet: 1 inch

Outlet: 1/2 inch or 3/4 inch

Outlet Type: Straight Reducer or 90° Elbow Reducer

Rated Working Pressure: 200psi

Min. Bend Radius: R150mm

Applications: Used in Commercial Building

Certificate: ISO, FM, CCC

Supply Ability

Supply Ability: 10000 Piece/Pieces per Week HS Code: 8307 10

Packaging & Delivery

Packaging Details

- Cartons or Pallet or Plywood Case
- No Unacceptable Material Used for Packing

Port

Shanghai or Ningbo or Any Port in China

Lead Time :

Quantity(Pieces)	1 - 2000	>2000
Est. Time(day)	25	To be negotiated

Product Description

FM Metallic Flexible Sprinkler Connections Drops

FM Approved

100% Before Delivery

Open Central Bracket, installing more easily (Option)

More than 40-year experience in manufacturing

Application:

EH-8100-C is used to connect sprinkler head in commercial suspended ceiling

Features:

1. FM approved

2. Easy installation with **open central bracket**: Take **1/10** of conventional system to install, reducing labor cost.

3. Good flexibility: Eliminate potential leaks and protect gel seals during seismic activity. Allow the independent way between ceiling grids and main water pipe. Eliminate ceilings stress and leak due to misaligned hard piped installation.

4. With the feature of adjustable, it is suitable for types of ceiling keel and makes easy to adjust the location and height of sprinkler head.

5. No downtime while sprinkler heads are being removed to accommodate tool or floor-plane configuration.

Construction:

ITEM	PARTS	MATERIAL
1	CONNECTOR	SPCC/SUS304
2	SEAL RING	SUS304
3	BELLOW	SUS304
4	WIRE BRAIDS	SUS04
5	NIPPLE	SPCC/SUS304

Specification:

SIZE	28A	40A	48A	60A	72A
LENGTH(mm)	700	1000	1200	1500	1800

Production Process

Production Capacity

Flexible Sprinkler Hoses: 350,000pcs per Month

Flexible Joints/ Expansion Joints: 80,000pcs Annual

Gas Connector: 300,000pcs Per Month

Water Connectors: 5,000,000m Annual

Material: Stainless Steel Tape

Material: Stainless Steel Tube

Flexible Hose Making

Wire Brading

Welding

Heat Treatment

Different Fittings

One Set of Flexible Sprinkler Hose with Fittings

Clamped Type, not Welded

Testing

100% Before Delivery

Raw Material Inspection

Bellows Shaping Inspection

Leakage Test

Packaging & Shipping

Carton Box, Pallet, or Plywood Case

No Unacceptable Packaging Material or Bamboo Products been Used as Packing

Cartons by Full Container

Type 1: Carton Box with Pallet

Type 2: Plywood Case

Company Information

Certifications

EMASE-FLEX

FM Approved: Flexible Joint, Expansion Joint, Flexible Sprinkler Hose

UL Listed: Flexible Sprinkler Hose

CSA Certified: Gas Connector

CCC Certified Flexible Sprinkler Hose

Our Customer

ECHASE-FLEX

Company Overview

ECHASE-FLEX

Echase-Flex company located in Hangzhou, near Shanghai and Ningbo port, with more than 40 year experience, is one of the most famous brand in metal flexible joint and expansion joint in Taiwan. We are specialized in manufacturing flexible joint, expansion joint, flexible sprinkler hose, flexible tube, gas connector, rubber joint. Our company had obtained the quality control system I S O 9 0 0 1. Our products are F M, C C C, C S A, S G S approved and 1 0 0 % tested before delivery.....

- High producing capacity with timely delivery. Normally, less than 25 working days.
- Professional researching, developing team and equipments, can design and manufacture as customers' requirements.
- After-Sales promise is respond within 4 hours and reach the site within 48 hours for domestic user, respond within 6 hours for overseas user.

FAQ

Q : Are you trading company or manufacturer?

A: We are **manufacturer of** expansion joint, flexible joint, flexible sprinkler hose, flexible tube, corrugated gas connector, spring absorber with more than **40-year experience**.

Q: Do you have products catalog?

A: Yes, we have. Please tell me your email or instant messenger, we will send our catalog.

Q: Can you provide drawings and technical data?

A: Yes, our professional technical department will design and provide drawings and technical data.

Q: Do you provide samples? Is it free or charged?

A: Yes, we can offer sample free but shipping charges covered by customer.

Q: Have your products been exported?

A: Yes, they have been exported to USA, France, Australia, Peru, Chile, Brazil, Uruguay, Russia, UAE, Saudi Arabia, Oman, Egypt, Kenya, Serbia, Vietnam, South Korea, Indonesia, India, Thailand, Pakistan, Philippines, Singapore, HK...

Q: How long is your delivery time?

A: Depends on QTY, but normally no more than 20 working days.

Q: Can the products be manufactured by customer's requirement?

A: Yes, the specifications stated above are the standard ones, we can design and manufacture as requirement.

Q: Visting company is allowed or not?

A: Yes, we welcome customers visiting our company. We are located in Hangzhou, Zhejiang Prov., China
