

Guangdong Ever Starring Co., Ltd.

Dear Sir or Madam:

Our company-Guangdong Ever Starring Co., Ltd. is specializing in importing copper cathodes to China, with a registered capital of 15.25 million RMB, and located in CBD of Guangzhou(Canton)—a famous thousand-year international trade metropolis, Guangdong, China. With good reputation, we have closely cooperated with many well-known companies in South China for a long time.

The copper cathodes should be certified by both SGS and CIQ, which ensures the quality of products and provides reliable guarantee for the cooperation between our friends and us.

Welcome friends at home and abroad to contact us, and we are willing to work with you hand in hand for the bright future development!

Main terms and condition:

1)Copper Cathode Plates to LME standard but not necessary LME registered

2)Origin: at Seller's option

3)Grade 99.99% purity, minimum 99.96%

4) Packing: Palletized bounded by metal straps and loaded into 20ft container

5) Destination: Sanshan (Nanhai, Foshan, Guangdong, China) port

6) Annual Purchase Quantity: 2000-4000 Metric Tons (depends on the price & terms)

7) Each shipment must be accompanied by Assay Certificate duly signed by SGS at seller's cost at the loading port.

8) The Buyer is entitled to have the products inspected and checked by CIQ (China Entry-Exit Inspection and Quarantine Bureau) at his own cost at the unloading port. If the inspected quality of the products is different from the quality stated in the contract or the SGS certificate, the commodity inspection certificate by CIQ will be the final bank payment document and will be the final certification of the quality and quantity.

The Buyer and Seller will try in good faith to reach a mutually agreed determination of the result of the final assay on each shipment. If it is mutually determined between the parties that the delivered products does not confirm to the specification set forth in the contract, then the unit price and

value of the contract shall be subject to downgrade according to the final inspection result at the port of destination. The buyer has the right to reject the goods in the contract if the copper purity is below 99.96%. The result of inspection signed by CIQ at the unloading port should be final.

The inspection by SGS at the loading port is the sole responsibility of the Seller for all the expenses incurred. The inspection by CIQ at the discharge port is the sole responsibility of the buyer for all the expenses incurred.

9) Payment:

1. Irrevocable, one-time transferable, documentary letter of credit 100% of the invoice value 30 days from BL date.
