

ADV-T²²

ADV-TI TITANIUM INDUSTRY (GROUP) CO., LTD.

**Leading Technology
Refine On
Perfect Performance
The Pursuit Of Excellence**

ADV-Ti Profile

ADV-TI TITANIUM INDUSTRY (GROUP) CO., LTD. Preparation in 1997, was established in early 2007, The total registered capital of 120 million yuan, production area of more than 280 acres, production workshop 38000 square meters. Existing staff of nearly 800 people, senior management staff of more than 200 people, all kinds of senior professional and technical personnel more than 300 people.

GROUP CO., LTD. has three factories, two international sales company:

WUXI ADVANCED TITANIUM TECHNOLOGY CO.,LTD.

ADVANCED TITANIUM INTERNATIONAL CO., LTD. (Europe)

SHAANXI YOULONG PRECISION CASTING FACTORY

SHAANXI ADVANCED TITANIUM MATERIAL PROCESSING FACTORY

JIANGSU ADVANCED PIPE INDUSTRY CO.LTD.

GROUP CO., LTD. Main production of various kinds of metal materials, precision casting, as well as titanium, nickel, zirconium composite material of rare metals research and development, production, processing and domestic and international trade. Company through British UKAS ISO quality system certification, is the international third party inspection agencies BV company factory certification company.

GROUP CO., LTD. Products for:

Titanium titanium tube, titanium seamless pipe, welded pipe, titanium pipe fitting

Titanium rod, Titanium alloy bar, Square titanium barr, The 6 angular titanium bar

Titanium plate, Thick titanium plate, Thin titanium plate, titanium roll band, titanium mesh, titanium foil

Titanium wire, titanium wire, titanium wire, titanium wire plate

Titanium composite materials: titanium steel composite plate, titanium copper composite panels, steel steel composite plate, titanium aluminum composite panels, composite panels, nickel titanium titanium tubes, titanium package tongbang composite materials, etc.

Titanium forgings, titanium cake, titanium rings, titanium circle

Titanium titanium processing parts: titanium fasteners, titanium standard parts, special-shaped parts

Rare metal castings, titanium and titanium alloy castings, nickel and nickel alloy castings

Ordinary metal castings, aluminum castings, copper alloy castings, steel castings, high temperature alloy castings.

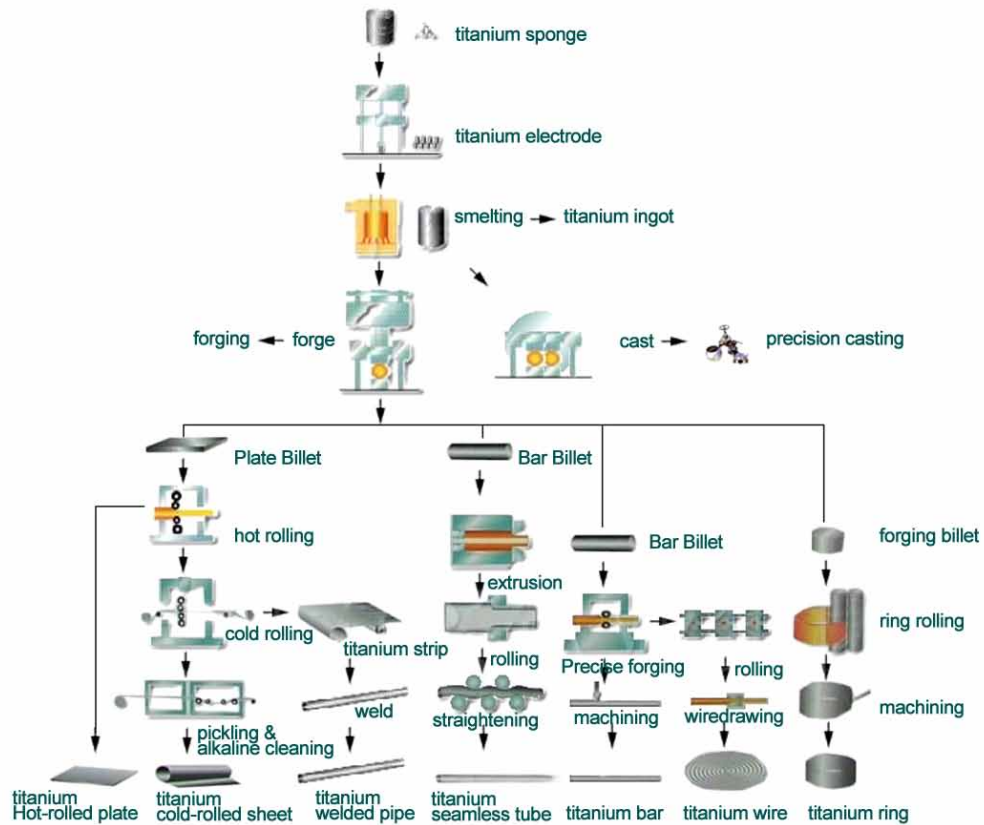

ADV-TI serve power generation, chemical processing, oil and gas exploration, production and refining, aerospace as well as military, medical, automotive and sporting goods industry etc.

Leading group company Enterprise tenet: Leading technology, refine on, perfect performance, the pursuit of excellence!

The group company is willing to join hands with friends from various circles, conspiracy cooperation and development, Yong Phang peak industry, to create the new glory!
